**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I chose SONIC because they offered better services at a lower cost. I say NO to price hikes that will increase the cost of internet and telephone services.

COMCAST / EXFINITY have made an art of overpricing all the services that they provide and never giving a customer a choice of the services and channels that they want. The number of channels doesn't matter. It is being able to choose the ones you want at the lowest possible price.

I hope the FCC will help increase competition not reduce it and pave the way for them to increase their prices again.
